I regret the delay in submitting this note which was due to unavoidable reasons.

2 The Excise Commissioner is not correct in saying that officials in all departments other than the Excise are in receipt of Malnad allowances. That department shares in common with other departments like the Education, Judicial & Registration and the Sub Divisional and Dt estt in the Rev.Dept.&c, the disadvantage of not being entitled to Malnad or Semi-malnad allowances. These are granted only in the following cases:-

1. Revenue Dept. Taluk estt only - vide Order of 1897. The concession applied for in the case of the Sub Divisional and Dist estt and others was refused - Vide Order of 1901. (10035-40/P.A 74-99 of 8.2.01)

2. Forest Dept. Rs 1/8 for only 96 Forest guards. This is a very old privilege and is continued to this day.

3. Excise Dept. Inspectors of Mudigere and Koppa- Rs 20 each-vide Order of 30-11-03

4. Police Dept 3 Coffee Inspectors-Rs 50 each. Malnad and Ghat Station batta of Re 1 and Rs 2 to Constables and Duffedars- This is also a very old privilege.

5. Medical Dept Midwives - Rs 5 in Malnad and Rs3 in Semi-malnad since Sept 1893. Hospital Assistants- enhanced charge allowances of Rs 20 & 15 in Malnad and Semi-malnad localities

The higher rate of Permanent T.A. granted to overseers &c in the P.W.D. in the Malnad is not a concession which is confined to them alone. Officers of all departments get higher rates of T.A. for travelling in the Malnad and the granting of higher rates of permanent T.A. is in accordance with that principle. It will also be seen that in the Forest Dept Rangers get an enhanced ~~Local~~ Horse Allowance of Rs 20 in the Malnad, the rate for maidan being only Rs 15, while all Excise Inspectors get this enhanced Horse Allowance even in the Maidan.

3. If the question be therefore viewed generally the Excise Commissioner has no greater reasons to complain of than officers of other departments. Malnad and Semi-malnad allowances have been granted in the past in some cases, and there is no reason why others similarly situated should not get them. But the question is mainly one of funds, and this was exhaustively considered in the File S & A 539-54. Moreover the pay of Vottu Mutsaddis, in whose behalf the claim for Malnad allowances has been made, has recently been raised from Rs 10 & 12 to Rs 12 - 15 and 15 - 20.

Financially this inexpedient to extend the Concession to the Excise Deptt as such extension will invite representations from all other Depts which are not already in enjoyment of the Concession. The request of the other Depts can not be acceded if that of the Excise Commr is complied with and if all the Depts are to get the Concession it means a large addition to the permanent expenditure on Estabts. Vide Calculations given in file no 539 of 1906-07. It is inadvisable to make such large additions to expenditure.

D

Besides, the present policy is gradually to abolish the mahad & semi-mahad allces & it was in pursuance of that policy that G.O. of 29-11-06 was passed. The last para of that order definitely states that Govt are not prepared to grant allces to the officials of any Depts who are not

ments and allowing it the same privileg

3. At present in the Shikarpur Taluk the Amildar is paid a Malnad allowance of Rs, 25/- per mensem while the ministerial staff including menials of the Taluk office except the poor Excise Vottu Mutsuddi get from Rs. 2-8-0 to annas 8 every month. In the Forest department the guards get a Malnad batta of Rs. 1-8-0 a month. The D. P. W. department also pays double the permanent horse allowance to its Overseer, Maistry and Tank Inspector, while the Daffedars get Rs. 2 and the Constables from Rs. 2 to 1.

4. In the Sagar Taluk also all the Revenue officers down to the Masalchi except the Excise Vottu Mutsuddi, the Police Duffadars and Constables in Ghat stations, the Medical and the D. P. W. departments draw malnad allowances. Similar concessions exist in the Sorab, Nagar and Thirthahalli Taluks.

5. In the Koppa Taluk of the Kadur District, the ministerial Revenue officers and menials as well as the Amildar, the Police, the Forest and the D. P. W. establishment, all get malnad allowances. But the Vottu Mutsuddi does not get anything. The solitary Excise man who gets any allowance in my department is the Excise Inspector. Similar state of things obtain in the Mudgere Taluk also. In the Chickmagalur Taluk too many are paid the allowance. In the Tarikere Taluk the Amildar and his staff, the D. P. W. department, the Police and Forest people in the Malnad portions of the Taluk as well as the Hospital Assistant get Malnad allowances.

6. In the Manjarabad and Belur Taluks of the Hassan District allowances are paid in the Revenue, Forest and D. P. W. departments. In the malnad portions of the Arkalgud Taluk the police are paid malnad allowances.

7. When all other departments in the malnad tracts of the state are getting malnad allowances, I do not see why the poor men of the Excise department including the Taluk Vottu Mutsuddi should be

be denied the same privilege. The work of the Excise men is neither less onerous nor less taxing. Nether are they less liable to the inclemency of the malnad climate nor is malnad life less costly to them. In these circumstances, I strongly recommend for the favourable consideration of Government the necessity of treating the Excise department as fairly as the other departments and allowing it the same privileges in regard to malnad allowances as are allowed to brother officers of the other departments.

I have the nonor to be,

Sir,

Your most obedient Servant,

for Excise Commissioner.
